PARKA KVARTĀLS

FINISHING PACKAGE:

LUX

(EXTRA FEE)

PARKA
KVARTĀLS

The Lux finishing is offered to lovers of especially exquisite materials and textures. The picturesque pattern of light marble contrasts with the dark and laconic elements of design, thus confirming the victory of symbiosis of minimalism and quality. Luxury finishing offers light tones which interact with daylight, as well as dark ones that interact with the night. This is a symbolic form of a dually neutral interior ensemble.
